### *Living Memory Of The Andes*

Pumamarca is more than an ancient city. For the Q'ero Paqos, it is an active wisdom center—a place where the veils between worlds dissolve. Its connection with the lineage of the Puma—symbol of strength, clarity, and protection—makes it an ideal space for spiritual openings, deep healing, and energetic renewal. Every step in Pumamarca is a dialogue with living memory: with the Inka energies, the Apus who guard the valley, and your own ancestral essence.
