A Journey of Andean Wisdom and Heart Connection

3 Days and 2 Nights

Located in the heart of the Peruvian Andes at 2,800–3,050 meters above sea level, the Sacred Valley is considered one of the world's most powerful energetic points — a living sanctuary dedicated to Pachamama and the Apus, guardians of ancestral wisdom. This retreat invites you to enter the Andean Spiritual Path: a journey of healing, presence, and reconnection with your inner essence. Guided by Q'eros masters — direct heirs of the Inca tradition — you will experience ceremonies, teachings, and rituals that open the heart, restore balance, and awaken authentic connection with life.
